

## What You Need (Need You)

Lennox Greene is a woman with a rebellious past, which she conceals beneath her conservative clothes. She knows that flirting with her boss, Brady Lund, during working hours is a bad idea. So when the handsome CFO of Lund Industries shows up at her favorite dive bar and catches her cutting loose, she throws caution aside and dares him to do the same. After sparks fly, Brady finds that keeping his hands off Lennox during office hours is harder than expected. Though she makes him feel alive for the first time in years, a part of him wonders if she's just using him to get ahead. And Lennox must figure out whether Brady wants her for the accomplished woman she is or the bad girl she was. Contains mature themes.
