

Batman: Black & White Vol. 1

Presented in stark black-and-white tones that all too easily represent Batmans worldview comes this collection of the Darknight Detectives hardboiled adventures. With stories and art by a stellar line-up of comic industry creators, including Neil Gaiman (THE SANDMAN), Joe Kubert (TOR), Frank Miller (THE DARK KNIGHT RETURNS, RONIN), Jim Lee (WILDCATS, BATMAN) and others, its not surprising that this collection was awarded the comic industrys prestigious Eisner Award for excellence.
