

The First Salute: A View of the American Revolution

Barbara W. Tuchman, the Pulitzer Prizewinning author of the classic *The Guns of August*, turns her sights homeward with this brilliant, insightful narrative of the Revolutionary War. In *The First Salute*, one of America's consummate historians crafts a rigorously original view of the American Revolution. Barbara W. Tuchman places the Revolution in the context of the centuries-long conflicts between England and both France and Holland, demonstrating how the aid to the American colonies of both these nations made the triumph of independence possible. She sheds new light on the key role played by the contending navies, paints a magnificent portrait of George Washington, and recounts in riveting detail the decisive campaign of the war at Yorktown. By turns lyrical and gripping, *The First Salute* is an exhilarating account of the birth of a nation.
