

## Comic Book Fever: A Celebration of Comics: 1976-1986

GEORGE KHOURY (author of *The Extraordinary Works of Alan Moore and Kimota: The Miracleman Companion*) presents a love letter to his personal golden age of comics, 1976-1986, covering all the things that made those comics great—the top artists, the coolest stories, and even the best ads! Inside this full-color hardcover are new articles, interviews, and images about the people, places, characters, titles, moments, and good times that inspired and thrilled us in the Bronze Age: Neal Adams, John Romita, George Perez, Marv Wolfman, Alan Moore, Denny O’Neil, Jim Starlin, Jose Luis Garcia-Lopez, The Hernandez Brothers, The Buscema Brothers, Stan Lee, Jack Davis, Jack Kirby, Kevin Eastman, Chris Claremont, Gerry Conway, Frank Miller—and that’s just for starters. It covers the phenoms that delighted Baby Boomers, Generation X, and beyond: Uncanny X-Men, New Teen Titans, Teenage Mutant Ninja Turtles, Love and Rockets, Crisis On Infinite Earths, Superman vs. Spider-Man, Archie Comics, Harvey Comics, Kiss, Star Wars, Rom, Hostess Cake ads, Grit(!), and other milestones! So take a trip back in time to re-experience those epic stories, and feel the heat of Comic Book Fever once again! With cover art and introduction by Alex Ross.
