

The pre-production DREDD screenplay by Alex Garland and the graphic novel adaptation and movie concept visuals by Jock in one beautifully designed book. Includes an introduction and notes from Jock and an exclusive introduction from screenwriter Alex Garland: "Part of [Jock's] huge contribution was a full-length comic book version of the script, that we distributed to everyone from financiers to crew. His paintings and sketches were one of the quickest and most effective ways of conveying the look and tone of the project. When - a very long time later - the picture was locked, I could see his input had pervaded the film at all levels." (Excerpt)
