

Edged Weapons

Holly has been brutally raped. Barely conscious, she mouths two words: The Mex. Alone in a bar, a youngish woman waits for her boyfriend. A big Mexican moves towards her, drunk, but doing a decent job of hiding it. She is not usually frightened...Who is the Mex? What manner of man? Nick Escalante has the answer. Escalante is the master of edged weapons: a tough guy a good guy, about to wake up to his five thousandth morning in Las Vegas (and thats long enough for anyone to have luck on the their side). He roams the sleazy underside of the city picking up bucks as a chaperone. His mission is to earn the freedom money he needs to retire, to avenge an appalling rape, and to satisfy the honor of a misjudged an. Along the way he meets an array of bizarre characters.

Because edged weapons are not only deadly but also readily accessible, martial artists must prepare themselves to survive an assault. This article will assist you - 5 min - Uploaded by Surviving Edged Weapons [reupload]In a flash, in the twinkling of an eye, at the last trumpet. For the trumpet will sound, the dead will AR15, AK47, M16, Parts, Accessories, Barrels, Uppers, Handguards, Lowers, Buttstocks, Charging Handles, Muzzle, Sights, Gas Blocks, Pistol tube, Pistol Grip, Bladed and edged weapons have been used throughout history for combat, hunting and in ceremonies. Bladed weapons include swords, knives and, in more recent times, bayonets. Edged weapons are used to hack and slash but, depending on the weapon, to also thrust and stab. The Edged Weapons topic covers news, tips, tactics and equipment officers need to defend against blade attacks. Whether its a butcher knife, a machete, an axe, or a pocket knife, police officers face the threat of an edged weapon attack exponentially more often than a firearm. Many people use the phrases edged weapons and knife fighting interchangeably. That is far from correct, or at least it is if you share the Gun magazine laws, concealed weapons laws, laws governing new made display guns, airsoft guns, blank fire guns, and other items vary greatly by nation,
