

Heather Duval, the Earl of Stonehursts orphaned ward, has always known she will never marry. But she is content running the earls grand country manor -- until Damien Tremayne hires on as estate manager. Then Heather suddenly fears her world may never be the same. Intense and fiercely passionate, Damien arouses feelings long denied -- with only one kiss! Questions about his brothers murder have led Damien to this place ... and to Heather. And though desire and destiny seem to bind them, he must battle his dangerous attraction to this beauty. There are shattering secrets to be faced and lies to be untangled. Yet what if the truth destroys her trust in him ... and imperils them both?
