

Gourds in Your Garden: A Guidebook for the Home Gardener

Book Description Whether you're a seasoned gardener enchanted with their lush vines and unusually shaped fruit or a crafter in search of the perfect gourd for a specific project, this easy-to-use primer takes the mystery out of growing gourds. Largely ignored by most gardening books, gourd plants require specific attention to produce healthy vines and satisfactory fruit. Learn how to: * Identify popular gourd shapes * Plan and cultivate your garden * Grow, train, and harvest a bountiful crop * Control pests and disease with natural remedies * Prepare your gourds for use-in recipes and art projects. Lists of suppliers, a growing calendar, and space for notes on your own garden conditions make this the complete gourd sourcebook. A delight to read as well as a lasting reference, this long overdue guide to the adventures of growing one of Nature's greatest gifts is an essential addition to any gardener's library. --This text refers to the Paperback edition.
