

On The Way To The Wedding: The Complete Guide to Planning Your Wedding Ceremony

A resource for all those planning a Christian wedding. It offers engaged couples a step-by-step guide to creating their ideal personal wedding ceremony by offering 16 distinctive themed weddings and a wide choice of scriptural narrative and literary material. There is an introduction to the Christian theology of marriage and guidance about deciding whether to marry in a Eucharistic ceremony or opt for a shorter form of service. The book offers meditations on topics that are relevant to marriage and suggests practical ways to take the fear out of participation in the ceremony. It is also a useful resource for clergy as it provides a variety of prayers and meditations to inspire sermons. In addition, the text contains ceremonies for the renewal of vows, golden and silver wedding celebrations and a service for a parish celebration of marriage.

Then you'll know how long you have to get things organized. Because your wedding's size determines where you'll hold the party, how much it will cost (prices Here is a step by step guide to help plan the perfect wedding reception your guests will remember.
