

## Fallen Words

A NEW COLLECTION OF STORIES FROM THE FOREFATHER OF THE JAPANESE LITERARY COMICS MOVEMENT. In *Fallen Words*, Yoshihiro Tatsumi takes up the oral tradition of rakugo and breathes new life into it by shifting the format from spoken word to manga. Each of the eight stories in the collection is lifted from the Edo-era Japanese storytelling form. As Tatsumi notes in the afterword, the world of rakugo, filled with mystery, emotion, revenge, hope, and, of course, love, overlaps perfectly with the world of Gekiga that he has spent the better part of his life developing. These slice-of-life stories resonate with modern readers thanks to their comedic elements and familiarity with human idiosyncrasies. In one, a father finds his son too bookish and arranges for two workers to take the young man to a brothel on the pretext of visiting a new shrine. In another particularly beloved rakugo tale, a married man falls in love with a prostitute. When his wife finds out, she is enraged and sets a curse on the other woman. The prostitute responds by cursing the wife, and the two escalate in a spiral of voodoo doll cursing. Soon both are dead, but even death can't extinguish their jealousy. Tatsumi's love of wordplay shines through in the telling of these whimsical stories, and yet he still offers timeless insight into human nature.

In *Fallen Words*, Yoshihiro Tatsumi takes up the oral tradition of rakugo and breathes new life into it by shifting the format from spoken word to Rakugo, the *Fallen Words*. Rakugo is an entertainment form in Japan with a very long tradition. It involves a single storyteller on stage telling comical stories. *Fallen Words* has 408 ratings and 55 reviews. Anthony said: Utilizing the formal restraints of rakugo--a style of Japanese verbal entertainment that features each of the eight short stories in *Fallen Words*, Tatsumi (*A Drifting Life*, *Abandon the Old in Tokyo*) shows us the innovation and insight that *Fallen Words* offers.
