

# Fatherhood: The Manliest Profession

You know those inspirational books on Fatherhood that touch the heart and move the soul? Yeah ... this isn't one of them. Let's face it. Parenthood is not for wimps. Only the bravest need apply. With his characteristic wit, author Matthew Buckley shares the comic and crazy misadventures of the boldest of men: fathers. A far cry from the usual instructional fare, this book is dedicated to those men who are figuring it out one diaper at a time, one hilarious encounter with their wives at a time. From navigating bedtime mayhem to hosting tea parties gone wrong, this refreshing look at the joys of fatherhood serves as a humorous and heartwarming tribute to fathers everywhere.
