

Side by Side is the story of Evan and Rick. Fast and close friends since their kindergarten days in a small town their friendship evolves into the love of their lives. They move to the big city where they meet Billy and Charlie and these four friends are soon inseparable. Mioki presents a moving portrait of gay life with all its highs and lows. Drawn in a sure style and masterfully incisive, Mioki's comic is a joy to read, is moving and the sex also doesn't get short shrift. This is a charming comic for the young and the young-at-heart.
