

The Loop

From the author of *The Horse Whisperer* comes the phenomenal #1 New York Times bestseller, an extraordinary new novel of love, family, and man's struggle with the wild. A pack of wolves makes a sudden savage return to the Rocky Mountain ranching town of Hope, Montana, where a century earlier they were slaughtered by the thousands. Biologist Helen Ross has come to Hope from the East, fleeing a life in shambles, determined to save the wolves from those who seek to destroy them. But an ancient hatred awaits her in Hope, a hatred that will tear a family and ultimately the community apart. And soon Helen is at the center of the storm, by loving the wrong man, by defying the wrong man ... by daring to lead a town out of the violent darkness of its past... .
