

The Mile High Club (Kinky Friedman Novels (Paperback))

The Mile High Club is a novel of intrigue, irreverence, international terrorism, humor, suspense, and cross-dressing, in which the intrepid Kinky Friedman gets more than his leg pulled when he encounters a mysterious vamp on an airplane. It all starts with a casual flirtation, two people on a flight from Dallas to New York. She is gorgeous and mysterious; he is a private detective. When the plane lands, the detective -- our hero Kinky Friedman -- finds that he has been left holding the bag, in this case literally holding a bright pink cosmetic bag. The mysterious woman, having asked the Kinkster to watch her luggage while she visits the dumpster, has taken a powder and somehow has vanished. Confident that he will find the mystery woman again, Kinky holds on to the bag. Sure enough she does turn up, but not before Kinky has excited the interest of an array of suits from the State Department, been party to a thwarted kidnap attempt by Arab terrorists, and found a dead Israeli agent parked on the toilet of his downtown Manhattan loft. Employing the able-bodied assistance of his usual sidekicks, the Village Irregulars, Kinky eventually gets to the bottom of all the comings and goings and comings of the many visitors to his loft -- including two late-night visits by the mysterious, and suddenly affectionate, woman from the plane and one not-so-late visit by her angry brother. Before it's over, the bag is gone. Despite the many comparisons made by the critics, citing his resemblance to one great writer after another, the truth is that no other writer combines intriguing mystery with bawdy one-liners quite like Kinky Friedman. Alternately raunchy, offbeat, and hilarious, *The Mile High Club*, complete with a surprise ending, is Kinky at his very considerable best.
