

# The Rhapsody Players

The Rhapsody players is a captivating story about how a fascinating group of characters create a springboard to longevity. The story examines the choices they make with respect to their own health, wellness, sexuality and spirituality, even as they build a business that provides these choices to others. The novel is rich with vibrant characters whom you quickly learn to love or to despise. All of this is achieved in a global setting, replete with the issues that face the world during the years 2008 through 2012.
