

TOEFL Exam Success in Only 6 Steps (Skill Builders (Learningexpress))

The 4 goals of TOEFL Exam Success are: 1) to explain the format of each section of the TOEFL (Test of English as a Foreign Language), in plain English; 2) to offer straightforward and specific test-taking strategies that you can use on the exam; 3) to review the basic reading, writing, listening, and grammar skills you need to score well on each section; and 4) to provide exercises that help you build basic skills and practice the test-taking strategies you learn in each section. In addition to information on and practice for the TOEFL, this book contains a review of basic study skills and learning strategies to help you perform to the best of your ability on the exam-whether you take it on paper or on the computer. In addition to the focused English practice in this book, you will learn the principles of time management and how to prepare-and stick to-a detailed and realistic study plan. These good study habits will serve you well in college and for years to come!
