

The \$100,000 Scholarship: Middle School Prep

The average private college costs \$27,677 a year, an amount many parents cannot afford. Scholarships, tuition waivers and early planning (while your child is in middle school) are the keys to affordability. This book provides a clear, step-by-step system to awaken your child's interest in learning and to help you with financial-building secrets. Your child will want to study, be a leader and serve your community, and you will be able to provide for college expenses without being overwhelmed. We've organized the necessary steps for you to take with our College Prep Contract, which is similar to a corporate executive bonus agreement. In addition, you will learn what the various scholarship programs expect and what you can do today to get ready. You'll also discover several key decisions that must be made during middle school that you won't want to miss. Gain the winning scholarship edge with The \$100,000 Scholarship.

If you're a high school student, you have a lot of scholarship resources available to you. In fact, many people who were in the middle class twenty years ago are in the upper class.
